

BWT Financial Limited (FSP34684) holds a license issued by the Financial Markets authority to provide financial advice.

## What we do

We provide advice to our clients about their investments.

Our financial advisers provide financial advice in relation to KiwiSaver, managed funds and some direct equities and bonds.

We only provide financial advice about products from certain providers:

For KiwiSaver, we choose to work only with Booster and Milford and do not provide advice on KiwiSavers from any other providers.

For investment products, we provide advice on a wide range of NZ and international based managed investment products. For some clients, we also advise on NZX50 and ASX200 equities, and NZ government and corporate bonds.

## Fees and Charges

We do not charge for an initial meeting.

For a full investment recommendation to be prepared, we will charge a set fee (subject to GST) if the advice is not implemented within a 90-day period, to cover the time spent on the advice. This fee will be quoted once the scope of the advice is known. If the advice is implemented, there is no initial fee.

For ongoing investment advice and management, a percentage fee is charged based on the funds under management. This fee is charged monthly in arrears to the investment portfolio.

BWT Financial Limited receives an adviser fee of 0.20-0.50% of the funds under management in KiwiSaver which is paid to us from Booster or Milford. We also receive a \$30 one off initial payment from Booster for each new client investing in the Booster KiwiSaver Scheme. This is paid by Booster and not by the client. We may charge a one-off advice fee for KiwiSaver of \$150 and will let you know if this applies.

For one-off advice or consultation, we will quote an hourly or fixed charge prior to commencing any work.
